Everyone Loves Meeting at Club Roma

CBC News Anchor, Peter Mansbridge speaks at Club Roma for a corporate event.

For close to 50 years, all types of groups in Niagara have enjoyed meeting at Club Roma. For instance, the Grape Growers of Ontario host the annual Scotiabank Celebrity Lunch in September, as shown here with Peter Mansbridge as the keynote speaker in 2009.

Today, when event planners host a meeting, conference, or corporate event, they continue to count on Club Roma to satisfy all the senses. From everything they taste, see, and hear, our loyal clients appreciate a full experience at Club Roma.

Most recently, our clients have been impressed with an upgraded facility featuring a leading edge sound system for corporate events. Banquets, trade shows, keynote speakers, meetings, and other events sound spectacular when presentations are delivered on our new sound system. Contact us to hear a sound check.

"Absolutely Perfect"

A sincere thank you for an absolutely perfectly run day. The meal was excellent as always and everything ran so smoothly from set up to take-down. Thank you again for your continued support of the Niagara Peninsula Children's Centre and the children we serve. You help us help them."
Jackie Van Lankveld, N.P.C.C.

"All our needs were met"

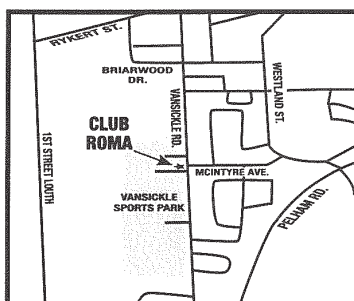

Thanks to the Club Roma staff that made our evening a wonderful success. We are impressed with all the positive experiences at your club and decided to reserve our spot for next year. Everyone was friendly and so helpful from bar staff to housekeeping and we felt that you were genuinely concerned that all our needs were met.
Margaret Janzen, The Mack Alumni Association
